ELBURG YACHTING[®]

international yachtbrokers

The Bavaria 42 HT Sport combines practical space and good sailing characteristics to be a sporty all-rounder suitable for both inland and open waters. The Bavaria 42 HT is characterized by its fixed superstructure (hardtop) with a large, electrical operated convertible roof, ideal for enjoying good weather or convenient retractable in inclement weather. The entire aft-deck can be closed off with a canopy featuring large removable windows. The hydraulically lowerable swim platform is convenient for bringing a dinghy or for easy entry and exit during a swim. The aft deck features a sunbed with ample storage space underneath. The engine room is accessible from the cockpit via an electrically operated hatch. A passenger bench is positioned facing the sailing direction of travel. The wetbar in the cockpit offers a grill, sink, and refrigerator. The saloon and galley are located below deck. The 2m+ headroom is immediately noticeable and creates a feeling of spaciousness. The forward cabin features a double French bed with its own en-suite bathroom (toilet/shower). A second double cabin is located amidships, also equipped with its own en-suite bathroom. In 2025, various upgrades were carried out, including new antifouling, anodes, life jackets, a wireless headset intercom system, new fenders with covers, stainless steel boat supports (also suitable for a jetski), a Wi-Fi installation, two smart TVs, a Bluetooth radio, custom-made mattresses, and a trickle charger.

For questions and/or to make an appointment, you are welcome at Elburg Yachting 7 days a week.
